# Overcoming Challenges with Grant Writing

**FINDING FUNDING OPPORTUNITIES CAN BE A DAUNTING TASK, BUT WE'RE HERE TO HELP YOU NAVIGATE THE GRANT LANDSCAPE AND SECURE THE FUNDING YOU NEED TO MAKE YOUR VISION A REALITY.**

## HOW DOES GRANT RESEARCH WORK?

Here at Boules Consulting, we understand the challenges of locating the ideal grant opportunities that align with your specific needs. It's a complex and time-consuming task, no doubt about it. That's precisely why we've developed a proven method to simplify the grant research process. Our team at Boules Consulting excels in grasping your organization's unique requirements and skillfully identifying the perfect grant matches.

### **Conduct a Needs Assessment**

Our team meets with your organization's key stakeholders to conduct a formal in-person or online needs assessment based on your preferences

# 01

### **Develop a Guidance Strategy**

Based on the outcomes of the Needs Assessment, Boules Consulting will then develop a one-page guidance document that includes all key details to include in our search

# 02

### **Begin Searching**

Boules Consulting will begin researching and presenting grant opportunities to your organization using our proprietary grant research database

# 03

### **Debrief + Strategize**

Boules Consulting will meet with you monthly to show you around the grant database, various strategies for approaching the grant opportunity, and consulting. Once you decide on a strategy, you can begin writing!

# 04

# Grant Writing Stages

## PREPLAN

- Workplan, timelines, schedules
- Prepare checklist to submit application
- Identify project team and strategic partners
- Discuss and develop with CSU team project scope, schedule and budget
- Populate grant analysis chart

## BENCHMARK

- Identify Problem(s) to be addressed through funding, challenges, and strength
- Review literature, success stories locally & globally
- Review policies & grant guidelines, ensure consistency & compliance
- Review existing CSU plans & policies
- Align plans and policies with grant guidelines

## WRITE

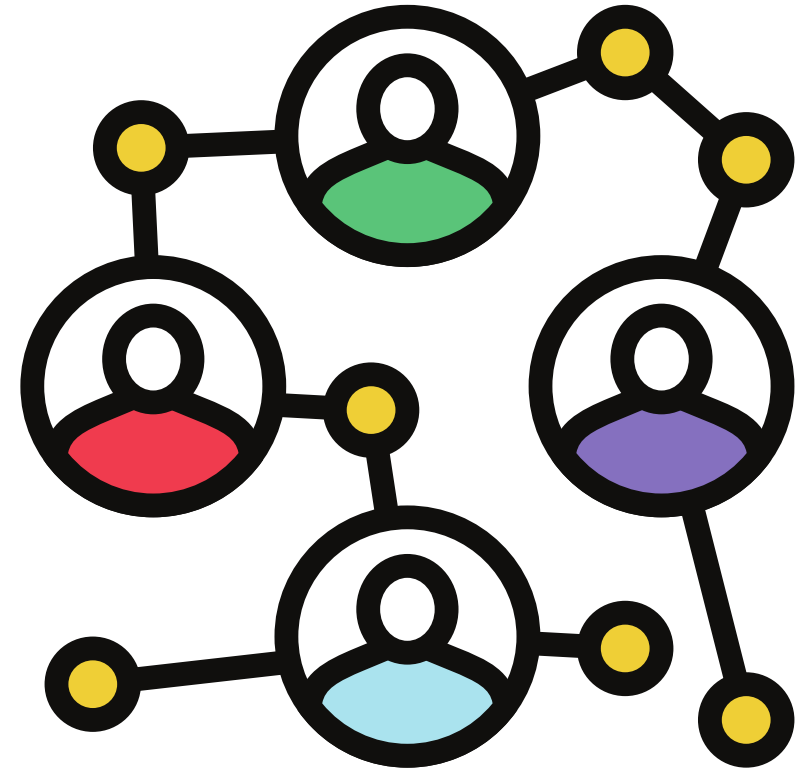

- Prepare application, funding plan, technical materials, letters of support
- Work with allocated staff to acquire required documents, approvals and signatures
- Submit first draft to PI & CSU staff 4 weeks before deadline
- PI & CSU staff to provide written comments and feedback
- Incorporate CSU comments. Full proposal review 2 weeks prior to grant submission/Red team review

## SUBMIT

- Obtain signatures, prepare required copies, submit application per grant program guidelines
- Email copy of completed final proposal to PI & CSU staff to final approval one week before deadline
- Update Grant Analysis Chart/Track
- Document lessons learned and success stories

# DEI Equity & Empathy

- **Commonalities and Gaps**
- **Define Equity**
- **Competitive Advantage**
- **Examples**

*“Equity is an actionable obligation to support inequality”*
