The College Promise

1. The Long Beach Unified School District (LBUSD) promises to students in the 8th grade that all students and families will be provided information, services, and assistance to prepare for college and careers.
2. The Long Beach Community College District (LBCC) promises to prepare students who successfully complete secondary school preparatory requirements to be successful in college.
3. California State University, Long Beach (CSULB) promises to pursue an associate degree or transitional associate degree program in designated high schools for admission to the University.
4. The State of California may provide financial assistance to eligible students through the California Community College Board of Governors’ Career Pathways Program, the Cal Grant Program, and others.
5. The United States of America may provide financial aid, such as the Pell Grant and other resources, to eligible students who complete the FAFSA.
