Announcements

- March 2014 Plenary Summary is attached. This document shows resolutions approved in March and those under campus consultation that may be acted on in May. Please share it broadly.
- Executive Committee appreciates the interest expressed by so many senators in response to our calls for volunteers. Recent appointments include:
  - Helmsley STEM Grant Faculty Advisor: Harold Goldwhite.
  - Review of Quality Assurance RFPs for Online Courses: Otto Benavides.
- California Open Education Resources Council (COERC): Several faculty from campuses in the southern part of the state responded to our call for interest. Dr. Ruth Guthrie from Pomona has agreed to serve. Other CSU faculty members serving on COERC are Diego Bonilla (Sacramento) and Larry Hanley (San Francisco). The Project Director is Katherine Harris (San Jose). We are also in the process of hiring a staff member to support COERC.
- Chancellor’s Office responses to March 2014 ASCSU resolutions are not yet available.

Faculty Trustee Legislative Proposal
AB 2324 (Williams), the CSU-sponsored bill for a holdover appointment for the faculty trustee, has cleared both the Higher Education and Appropriations Committees in the Assembly. As of today, the date of the Third Reading has not been set. You can help!

- Encourage your Assembly Member to vote AYE for AB 2324 (find your representative by clicking here) when it comes to the floor for a vote.

- Register your support with a letter to the bill’s author, and encourage others—including your campus senate—to do the same:
  Assembly Member Das Williams
  Chair, California State Assembly Higher Education Committee
  State Capitol Room 4005
  Sacramento, CA 94248-0037

- Ask your campus senate to support AS-3172-14/EX, the ASCSU resolution in first reading (see page 3) that urges all members of the CSU community to support AB 2324. ASCSU can use this later in the legislative process.
As of today, only the CSU and ASCSU are listed on the analysis of AB 2324. Please help us build our list of supporters by encouraging your campus community to register formal support.

CSU Budget Advocacy by Joint Stakeholders
Senator Tom Krabacher (Sacramento) has been attending the joint stakeholder meetings (including student leaders, unions, ASCSU, and others) organized by the CSU Office of Advocacy and State Relations. This is a concerted effort to lobby for $95 million in additional funding in the State Legislature on top of the $142 million increase in Governor Brown’s January budget plan. Our Fiscal and Governmental Affairs Committee will visit Sacramento on April 22nd. Some will testify at a budget hearing the following day.

RATIONALE: The Faculty Trustee provides the Board of Trustees (BOT) with both expertise and a faculty perspective in areas of academic policy as well as matters of curricular and fiscal concern affecting the CSU. In addition, the presence of a Faculty Trustee strengthens faculty confidence in BOT actions.

In recent years, however, there have been lengthy intervals during which no Faculty Trustee has been appointed to the Board, the longest being the period from 2009 to 2011, which resulted in the Faculty Trustee position staying vacant for an entire 2-year term. This again occurred more recently in the summer and fall of 2013 – a period of several months during which the Board met twice without a Faculty Trustee.

AB 2324 addresses the ongoing concern raised by the ASCSU pertaining to the lack of a faculty trustee on the CSU Board of Trustees, most recently described in the ASCSU resolutions listed below.
