

Date: May 15, 2013

Code: TECHNICAL LETTER
HR/Salary 2013-07

To: Associate Vice Presidents/Deans of Faculty
Human Resources Officers
Payroll Managers

From: Evelyn Nazario 
Associate Vice Chancellor
Human Resources Management & CO HR Services

Margaret Merryfield 
Senior Director
Academic Human Resources

Subject: Faculty (Unit 3) Salary Administration for Summer Term Employment

Overview

Audience: Associate Vice Presidents/Deans of Faculty, Academic Personnel Managers, Campus Payroll Managers and/or campus designees responsible for faculty payroll processing

Action Item: Process summer term employment payments

Affected Employee Group(s)/Unit(s): Faculty employees (unit 3)

Summary

This letter provides instructions for faculty (Unit 3) salary administration during summer sessions under the terms of the Collective Bargaining Agreement (CBA) between the California State University (CSU) and the California Faculty Association (CFA) effective September 18, 2012 through June 30, 2014. It addresses faculty employment in summer programs at both quarter and semester campuses offered through state support as well as through self-support. The new CBA includes changes to enrollment-based compensation. Campus designees with responsibility for summer term processing should review the remainder of this letter for detailed information.

The procedures described here are pursuant to Article 21 of the CBA between the CSU and the CFA ratified by the CSU Board of Trustees September 18, 2012 and effective through June 30, 2014. While most aspects of summer term employment have not changed, the new collective bargaining agreement includes changes to the formulas for enrollment based compensation. This letter will address those changes and provide information regarding four areas related to summer term employment:

- ❖ Appointments and Salary
- ❖ Payments for Indirect Instruction
- ❖ Service Salary Increases and Entitlement Issues for Lecturers
- ❖ Summer Health Benefit Stipends

Distribution:

CSU Presidents
Executive Vice Chancellor & CAO
Vice Chancellor, Human Resources
Vice Presidents, Academic Affairs
Deans of Extended Education

Vice Presidents, Administration
Budget Officers
HR Professionals
State Controller's Office/PPSD

Appointments and Salary

❖ **General Provisions of Appointment to Summer Term for Extra Pay**

Salary rates. Summer salary rates for faculty members who were employed in a state-supported Unit 3 appointment in the academic year immediately prior to the summer term shall be based on the faculty unit employee's salary rate for the immediately preceding spring term, or on the salary rate of the most recent academic term worked in that academic year (fall semester at a semester campus, winter or fall quarter at a quarter campus).

Faculty Who Teach Only in the Summer Term. Faculty who were not employed in a Unit 3 appointment in any of the terms in the academic year immediately preceding summer term do not have an academic year salary upon which to base their summer salary. Therefore, these faculty members may be appointed at any salary level on the appropriate salary schedule for summer term employment.

See Article 21.1 for a list of the provisions in the CBA that apply to individuals who become faculty unit employees *solely* by appointment to summer term employment.

Class cancellation. If a class is cancelled due to low enrollment or for budgetary reasons, the faculty member shall be paid on a pro-rata basis for each class taught prior to cancellation.

Enrollment-based compensation. If a course has an enrollment of less than twenty (20) students as of the final census date, the faculty member's salary shall be reduced by 5% for each student below 20. Salary shall be reduced to no lower than 65% of full salary. This applies to both state-support and self-support courses, with appointments in classification codes 2357 or 2457. The reduced salary rates are as follows: 95% for 19 students, 90% for 18 students, 85% for 17 students, 80% for 16 students, 75% for 15 students, 70% for 14 students, and 65% for 13 or fewer students. The President may offer rates higher than the reduced compensation rates for low enrollment.

❖ **Salary during State-Supported Summer Session at all Semester Campuses**

Faculty members who teach for extra pay during a state-supported (including fee buy-down) summer term in addition to their regular academic year position are to be appointed into the following classification code:

- 2457 Instructional Faculty, Summer Session – State Support

Faculty members in this classification are paid on a per unit basis. The rate per weighted teaching unit (WTU) is calculated by dividing the faculty member's academic year full-time annual salary by 30:

- Summer Salary Rate Per WTU = (AY Full-time Salary)/(30)

Pursuant to provision 21.5, the MOU regarding "12 Month Department Chair Employment in Summer 2006 – Semester Campuses" shall remain in effect.

Processing instructions are provided in Attachment A, Summer Term Employment: I –Coding Instructions for Class Code: 2357/2457.

❖ **Salary during State-Supported Summer Session at Quarter System Year-Round Operation (QSYRO) Campuses**

Faculty members who work during the summer term at a QSYRO campus as an additional quarter beyond their *regular academic year assignment* shall be appointed in the following classification:

- 2368 Instructional Faculty – Extra Quarter Assignment

Pursuant to provision 21.5, the campus summer agreement that governs terms and conditions at Cal Poly SLO remains in effect.

- ❖ **Salary during State-Supported Summer Session at CSU Bakersfield and at CSU San Bernardino**
Faculty members who teach for extra pay during a state-supported (including fee buy-down) summer term in addition to their regular academic year position are to be appointed into the following classification code:

- 2457 Instructional Faculty, Summer Session – State Support

Faculty members in this classification are paid on a per unit basis. The rate per WTU is calculated by dividing the faculty member's academic year full-time annual salary by 45:

- Summer Salary Rate Per WTU = (AY Full-time Salary)/(45).

Processing instructions are provided in Attachment A, Summer Term Employment: I –Coding Instructions for Class Code: 2357/2457.

- ❖ **State-supported Summer Term as Part of Academic Year at Semester Campuses**
In order for a campus to appoint a faculty member to teach in the summer as part of the regular academic year assignment, either

- (1) The campus must have an agreement negotiated at the statewide level between the CSU and the CFA that allows faculty to spread the academic year workload over the academic year plus the summer (currently allowed only at Humboldt State University and CSU Sacramento) **OR**
- (2) The campus must submit an academic calendar that includes a summer term that meets the CSU definitions to be equivalent to a regular semester. No semester campuses have such an approved calendar for summer 2013.

Faculty members who teach in the summer as part of the regular academic year appointment do not receive extra salary for the summer appointment and do not accrue additional benefits.

- ❖ **Salary during Self-Supported Summer Session at all Campuses**
Faculty members at all campuses who teach during summer sessions in self-support for-credit programs offered through Extended Education are to be appointed into the classification code listed below.

- 2357 Instructional Faculty, Summer Session – Extension

Faculty members in this classification are paid on a per unit basis that is identical to the rate for classification 2457. At *semester* campuses, the rate per WTU is calculated by dividing the faculty member's academic year full-time annual salary by 30:

- Summer Salary Rate Per WTU = (AY Full-time Salary)/(30).

At *quarter* campuses, the rate per WTU is calculated by dividing the faculty member's academic year full-time annual salary by 45:

- Summer Salary Rate Per WTU = (AY Full-time Salary)/(45).

Processing instructions are provided in Attachment A, Summer Term Employment: I –Coding Instructions for Class Code: 2357/2457

Payments for Indirect Instruction

- ❖ **Tenured and Probationary Faculty Members at All Campuses**
All tenured and probationary faculty members employed in state-funded summer sessions who do not receive a specific, compensated indirect instructional assignment in the summer term shall receive an indirect instructional payment in the amount of \$150 per each WTU of direct instructional work assigned for the summer term. Payment will be made as a one-time lump sum payment, paid at the end of the employee's summer assignment or at the end of the summer term, as appropriate.

Tenured and probationary faculty members who do receive a specific, compensated indirect instructional assignment in the summer term shall not receive the \$150 per WTU payment.

❖ **Lecturers at All Campuses**

At all campuses, lecturers who receive and complete a specific indirect instructional assignment in the summer term shall be compensated for that assignment. Lecturers who do not receive a specific, compensated indirect instructional assignment in the summer term shall not receive any compensation for indirect instructional work.

Processing instructions for lump-sum payments for indirect instructional work are provided in Attachment A: Summer Term Employment: II – Indirect Instructional Payment.

Service Salary Increases (SSIs) and Entitlement Issues for Lecturers

❖ **Lecturer SSIs**

Pursuant to provision 21.23(c), WTUs taught by lecturers in state-supported summer terms count towards units required for SSI eligibility pursuant to provision 12.10.

❖ **Lecturer Entitlements**

In some cases, state-supported summer term employment is included for purposes of determination of the timebase entitlement for a “similar assignment” as defined in provision 12.3, as well as fulfillment of qualifications for one-year and three-year contracts as described in provisions 12.3 and 12.12. Employment must have been in the same department at the same campus. Refer to Appendix F of the CBA for additional information.

Summer Health Benefits Stipend

If a lecturer employed in a state-supported summer term meets the following criteria, he/she will be eligible for a summer health benefits stipend.

- The lecturer was employed in the immediately preceding spring term and enrolled in CalPERS health benefits; and
- The lecturer was appointed and worked at least six (6) WTUs over the entire summer term; and
- The lecturer was ineligible for CalPERS health benefits during any of the July, August, or September pay periods;

A lecturer meeting all three criteria is eligible to receive a stipend of \$400 per month for those pay periods (July, August, and/or September) during which he/she was ineligible for CalPERS health benefits. Stipends are *not* paid to any employee during pay periods in which the employee is eligible for CalPERS health benefits. These provisions apply at all campuses.

Processing instructions are provided in Attachment A, Summer Term Employment: III – Summer Health Benefits Stipend.

Faculty Benefits During State-Supported Summer Session at Semester Campuses

Technical letter [HR/Benefits 2006-08](#) addresses sick leave accrual and usage and eligibility for disability programs for faculty members during state-supported summer sessions at semester campuses. These provisions remain in effect.

The following processing instructions are provided in Attachment A:

- I. Coding Instructions for Class Code: 2357/2457
- II. Indirect Instructional Payment
- III. Summer Health Benefits Stipend
