- False positives reduced number to 2,100
NEW ENHANCEMENTS TO CSU MENTOR

**THE QUESTIONS BELOW ARE FOR CALIFORNIA COMMUNITY COLLEGE STUDENTS ONLY.**

If you are currently attending or have graduated from a California Community College, please answer the following questions.

All other applicants may proceed to the next screen once you have finished answering the questions above.

**Associate of Arts for Transfer/Associate of Science for Transfer Program**

The Student Transfer Achievement Reform Act (SB 1440) enabled the California Community Colleges and California State University to collaborate on the creation of Associate in Arts for Transfer (AA-T) degree and Associate in Science for Transfer (AS-T) degree programs.

Are you currently completing or have already earned an AA-T or AS-T degree at a California Community College?

Yes

Click on the California Community College at which you are currently completing, or have already completed, your transfer degree:

- [Moorpark College](#)
- [Oxnard College](#)
- [Ventura College](#)

Transfer Degree Programs | Promoting the Program

Transfer with a Guarantee

Associate Degree for Transfer
A Degree with a Guarantee

Earn priority admission to the California State University with junior standing once you earn an Associate Degree for Transfer (AA-T or AS-T) at a California community college. The new joint transfer program is the best path for students like you to transfer between the two college systems. Complete 60 units at a California community college to receive your AA-T or AS-T, then complete 60 units* at a California State University to receive your bachelor's degree. For more information, go to ADegreeWithAGuarantee.com, or see a high school counselor, community college counselor or representative from a California State University.

*90 units at a quarter campus.
