Addressing the Board of Trustees

Members of the public may address any open meeting of the Board of Trustees as well as open meetings of its standing and special committees. Individuals wishing to appear before the full board or a committee must provide written notice, which may be electronic, to the Trustees' Secretariat two working days preceding the regularly scheduled committee meeting, stating the subject and reason for the appearance. The Chair of the Board or committee determines and announces any reasonable restrictions upon such presentations, including the total amount of time allocated for public comment on particular issues and/or for each speaker.

Note: Anyone wishing to address the trustees who needs special accommodation (for example, to provide for vision, mobility or communication impairment) should contact the Trustees Secretariat, at least 48 hours in advance of the meeting so appropriate accommodations may be made.
