California Community College (CCC) college level courses

60 LD + 60 UP = BA/S: 120+ units
An articulation agreement defines how course credit earned at one college can be applied when transferred to another

✓ General Education Patterns
✓ www.assist.org
✓ CCC Counseling & Transfer Center Webpages
“IGETC” = Inter-segmental GE Transfer Curriculum
Accepted by UC, CSU and most CA private schools

“CSU GE” = California State University GE
Accepted by CSU and most CA private schools

Individual Articulation Agreements
Usually with local private universities and some Out-of-State

NOTE: Most PRIVATE schools do NOT require students to complete GE prior to transfer – but it may be advantageous to do so
ASSIST is an online student-transfer information system that shows how course credits earned at one public California college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California’s public colleges and universities and provides the most accurate and up-to-date information about student transfer in California.

There are two ways to look up information in ASSIST.

**Explore Transfer Information**

If you have already chosen a major or know what kind of information you want to see, select the transfer information you want to display by choosing an institution below. You can select the institution you are transferring from or to.
