NCAA Division I
Initial-Eligibility Academic Requirements

(Beginning August 1, 2016)
There are new requirements for college-bound student-athletes enrolling full time at an NCAA Division I college or university on or after August 1, 2016.
Summary of Changes

- Minimum core-course GPA of 2.300 required for competition;
- Ten core courses required before beginning of senior year for competition; and
- Slight changes in GPA/test score index (sliding scale).

The following slides explain these changes in further detail.
For college-bound student-athletes enrolling full time at an NCAA Division I college or university on or after August 1, 2016, there are three possible academic outcomes:

1. **Full qualifier** = competition, athletics aid (scholarship), and practice the first year.
2. **Academic redshirt** = athletics aid the first year, practice in first regular academic term (semester or quarter).
3. **Nonqualifier** = no athletics aid, practice or competition the first year.
NCAA Division I Full Qualifier: Requirements for Athletics Aid, Practice and Competition

Students will need to meet the following requirements to receive athletics aid, practice and compete their first year:

- 16 core courses in the following areas:
  - 4 years English;
  - 3 years math at Algebra I level or higher;
  - 2 years natural or physical science (one lab if offered at any high school attended);
  - 1 year additional English, math or natural/physical science;
  - 2 years social science; and
  - 4 years additional from areas above or foreign language, philosophy or comparative religion.

- Minimum required GPA:
  - Minimum GPA of **2.300** required for competition in those 16 core courses.

- Graduate from high school.
Core-course progression.
- Must complete 10 core courses before seventh semester of high school (e.g., senior year).
- Of the 10 core courses completed, seven must be in the area of English, math, or science.
- These 10 core courses become “locked in” for the purpose of core-course GPA calculation.
  - A repeat of one of the “locked in” courses will not be used if taken after the seventh semester begins.

Minimum required GPA.
- Minimum GPA of \(2.000-2.299\) in 16 core courses.

Sliding scale.
- Minimum ACT sum or SAT score (critical reading/math only) that matches the 16 core-course GPA.
Student-athletes who fail to meet the required 10 core courses prior to the start of the seventh semester (seven of which must be in English, math, or natural or physical science), will be allowed to retake core courses in the seventh or eighth semester, which will be used in their academic certification for the purpose of meeting the academic redshirt requirements.

If a college-bound student-athlete meets these requirements, he/she can receive an athletics scholarship during his/her first year at an NCAA Division I college or university.

After the first term is complete, the student-athlete must be academically successful (successfully completing nine semester hours or eight quarter hours in each applicable term) at his/her college or university to continue to practice for the remainder of the year.
What If A Student Does Not Meet Either Set of Requirements?

If a college-bound student-athlete does not meet either set of requirements, he/she is a **nonqualifier**.

A **nonqualifier**:
- Cannot receive athletics aid during the first year at an NCAA Division I college or university.
- Cannot practice or compete during the first year at a Division I college or university.
