# CSU Transfer Planner

## Welcome to Transfer Planner!

Here you can start your Transfer Success Pathway and see the articulation agreement between your community college and your California State University program. If you're finishing high school in spring 2023 and enrolling in a community college in fall 2023, you can start your transfer pathway now.

## Register

If you already have a Cal State Apply application, be sure to use the same email address to create your Transfer Planner account. Remember to use an email address or social login for which you will have continuing access.

The screenshot shows the CSU Transfer Planner dashboard. A red modal window is open, displaying a personalized welcome message for Kimberly. The modal text reads: "California State University Transfer Planner", "Welcome Kimberly!", "If you are interested in enrolling in the Transfer Success Pathway, please fill out the questionnaire to determine your eligibility (You may take the questionnaire at any time).", "What's Next?", "Complete the Transfer Success Pathway Questionnaire. [GO TO QUESTIONNAIRE](#)", "Already enrolled in a Community College? Add it to your profile today. [ADD COLLEGE](#)", "Start researching California State Universities and Programs. [EXPLORE](#)", and "CONTINUE TO DASHBOARD".

The background dashboard includes a navigation menu on the left with options like "Explore Universities & Programs", "General Education Requirements", and "Contact an Advisor". The main content area features a "Welcome to CSU Transfer Planner" message, a "Welcome Kimberly!" section, and a "What's Next?" section with three action buttons. A "BEGIN QUESTIONNAIRE" button is visible at the bottom of the dashboard.

- Multiple ways for students to explore programs
  - By Campus
  - By Program

The screenshot displays the 'Explore Cal State Universities & Programs' interface. On the left, a vertical sidebar lists various campuses, with 'California State University, Chico' highlighted. The main content area is divided into two sections. The top section shows a map of California with a pop-up card for Chico, CA, featuring a photo of a student with a mascot and a 'VIEW PROGRAMS' button. The bottom section shows a 'Programs (1797)' list with a search bar and a letter navigation bar (A-Z). Under the letter 'A', there are 194 programs listed in a grid, each with a title, university name, and a status indicator (e.g., 'TSP ELIGIBLE', 'Closed', 'Open').

# Students can review the programs and requirements for the TSP agreements

## Biology B.S., Molecular Biology Concentration

California State University, Monterey Bay

 100 Campus Center, Seaside CA,  
93955-8001

 <https://csumb.edu>

The College of Science is comprised of five academic units — the Department of Applied Environmental Science, the Department of Biology & Chemistry, the Department of Marine Science, the Department of Mathematics & Statistics, and the School of Computing & Design. Within these academic units, students' learning experiences are organized thematically and topically with an emphasis on finding workable solutions to important local, regional, national, and global problems.

# Benefits of Transfer Success Pathways Program

- Guaranteed admission your CSU campus and program, provided they meet the program requirements outlined in the agreement
- Follow up by a CSU representative to ensure that they are on the right track for transfer
- Invitations to specific Cal State university outreach events

# TSP & Transfer Planner Next Phase

## December/January

- **All** CCC students will be able to:
  - Enter & maintain academic data
    - Coursework
    - Standardized tests
  - Track general education coursework
  - Review transfer GPA
  - Research career opportunities, salaries and connection to majors
  - View ASSIST PDFs for interested campuses and majors

# Frequently Asked Questions

# If I have a student who earned community college credit through dual enrollment, are they still eligible for this program,?

- Yes. The student may be able to transfer earlier with their TSP agreement if they complete the appropriate coursework and have the appropriate GPA.

# When do students sign up for the agreement?

- August 1<sup>st</sup>- September 30<sup>th</sup>
- There will be no deadline extensions by campuses

# What are the benefits of going directly to a CSU as a Freshmen vs. Community College

- Connect with peers and professors earlier
- 4 years to acclimate vs. 2 years
- Bachelor's Degree focus
- Less risk of credit loss
- Robust Financial Aid Packages
  - 56% of CSU Bachelor's Degree Recipients graduate debt free
  - 82% of undergraduates students receive financial aid
  - 77% of undergraduate financial aid recipients have tuition covered by gift aid

# What's the difference between TSP and ADT?

- ADT provides priority admission consideration and guarantee to graduate with 60 units remaining in the major the student earns a similar ADT
- TSP guarantees admission provided student meets the requirements of the TSP agreement.
  - Completing the agreement may include requiring completion of an ADT  
**or**
  - Transfer course of study

## Are all campuses participating or only a select few?

- All CSU campuses will participate in the TSP program
- Each campus will determine which programs they want to offer TSP agreements
- Some programs such as Nursing or programs requiring an audition or portfolio for admission will not be eligible for a TSP agreement

# How many TSP Agreements can a student have?

- A student can only have one agreement with a CSU campus and for one major.
- They cannot have multiple agreements.

# How does this affect local area students in admission consideration?

- Campuses can identify as part of their TSP agreement if there is a minimum GPA required for local area students as well as out of area students.
- Campus can state on their agreement preference for local area schools in their priority consideration.

# What's the role of the High School in this?

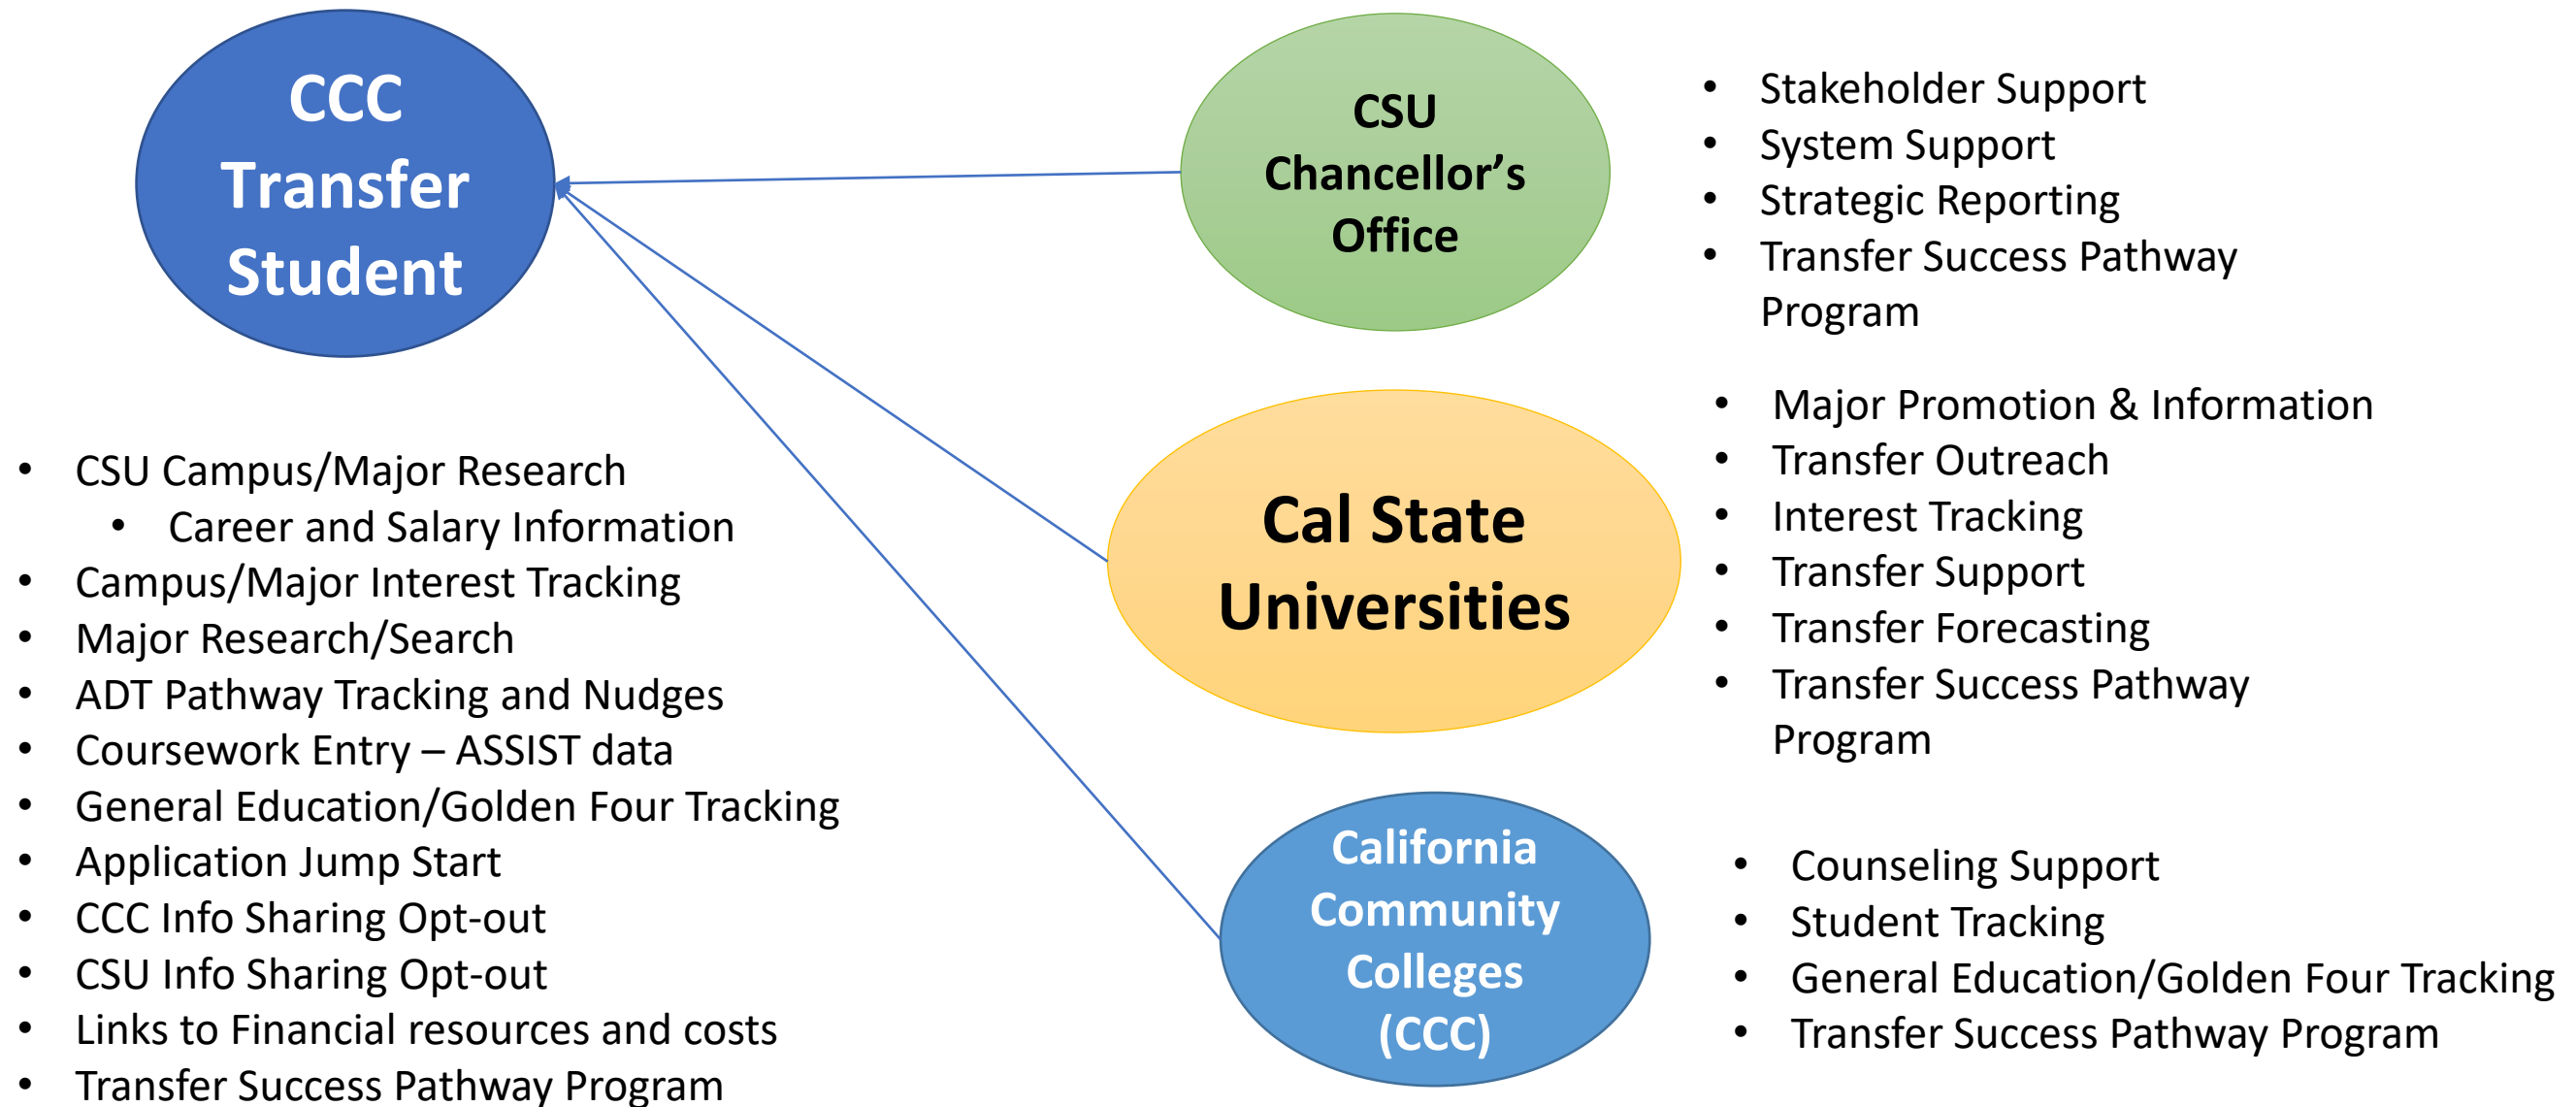

- Counselors should inform students of the various pathways into the CSU
  - Entrance as a first-time freshmen/first-time freshmen with college coursework
  - Upper Division Transfer Student
    - Transfer Success Pathways program
    - Associate Degree in Transfer (ADT)

# Can a student change their mind about the program?

- A student enrolled in a TSP agreement can request to be released from an agreement
- A student cannot sign up for another agreement with another campus once released
  - Unless during the enrollment period of August 1 – September 30
