

FINISH STRONG

MAKE YOUR SENIOR YEAR COUNT!

DITCH SENIORITIS

-  Keep your grades up. Aim for A's and B's.
-  Continue with good study habits.
-  Focus on your college goals and complete all "A-G" course requirements.

STAY FOCUSED IN AND OUTSIDE OF THE CLASSROOM

-  Go ahead, enjoy your senior year activities. But don't let your academics slide. You want to remain a strong college candidate.
-  Stay on top of the admission process. Turn in all information requested from colleges and universities. You don't want to miss opportunities.

GET READY FOR COLLEGE

-  Be as accurate as possible on your admission application and follow through with the "A-G" courses you report on your application.
-  If you're not sure how to answer questions on your college application, ask your high school counselor or college representative for help.
-  Remember, everything you report on a college application is important to the college or university evaluating your admission eligibility. Make it all count!
