DON'T

DON'T start your **application late**. Instead, take your time and submit **early** to avoid stress.

DON'T create your Cal State Apply account with an **email you rarely use**. Instead, provide an email address you check regularly since official communications about the application process are sent via email.

DON'T fill in your application **from memory**. Instead, be sure to have a copy of your unofficial college transcript for college credits.

DON'T leave out your **in progress (currently taking) and planned (future term)** college coursework.

DON'T skip entering your coursework; ALL college credit should be entered, even if not CSU transferable.
