

## California State University San Marcos Integrated Science and Engineering Building

Committee on Campus Planning, Buildings and Grounds - Agenda Item 2  
November 20-21, 2024

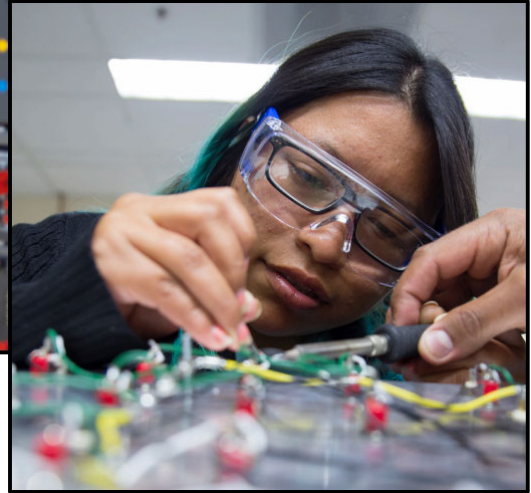

### Integrated Science & Engineering Building Project Goals

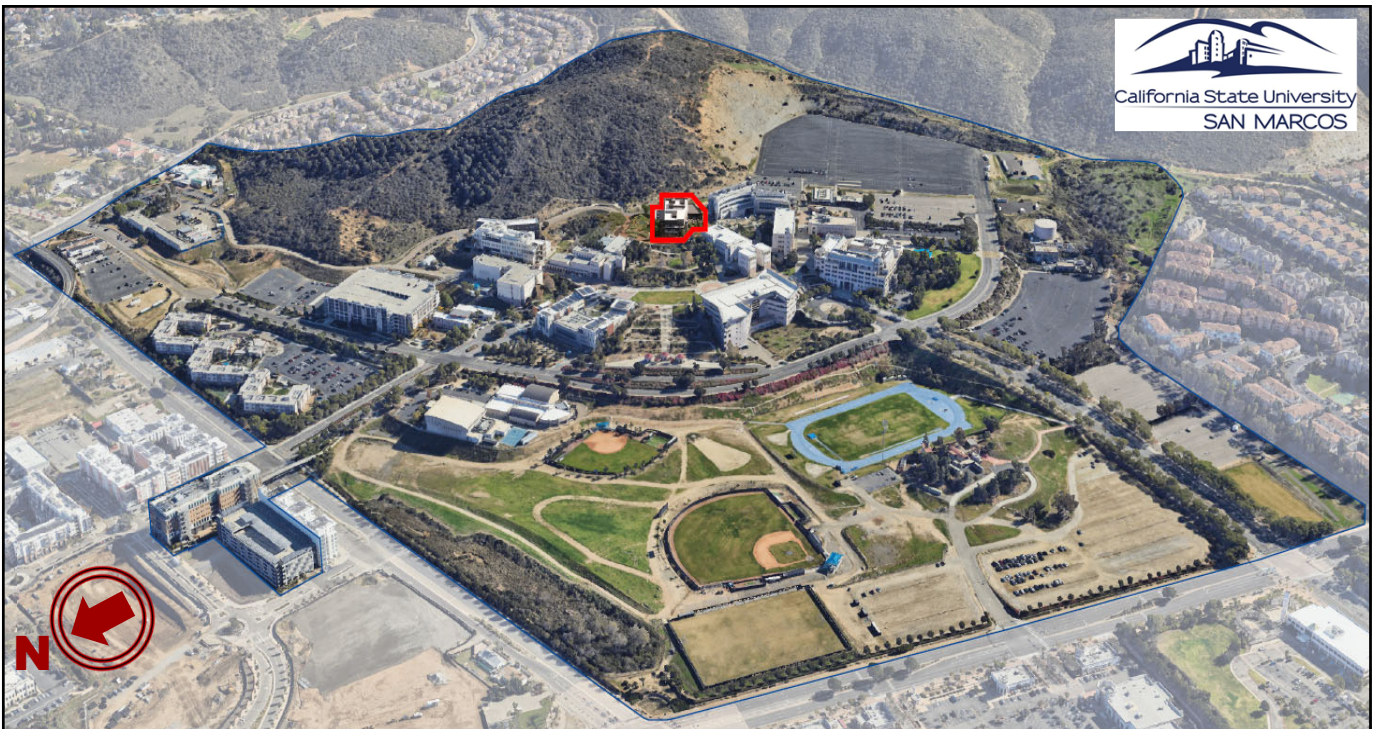

- Meet the needs of the university's diverse and inclusive community
- Create pathways and opportunities for students to graduate and advance into meaningful and well-paying careers
- Expand the engineering program from 300 to over 2,000 students
- Provide flexible learning spaces and laboratories with cutting-edge technology to support student success
- Feasibility studies indicate there is demand
