

## Graduation Initiative 2025: Data Reveal

CSU Board of Trustees  
Committee on Educational Policy—Item 3  
November 20-21, 2024

1

1

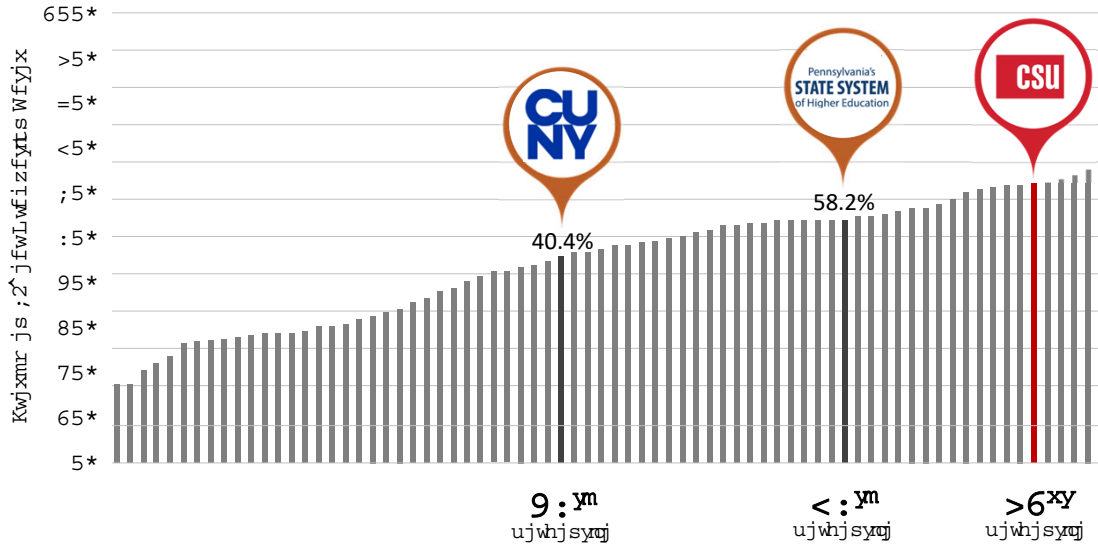

## Our Shared Impact

- Nearly doubled the systemwide four-year graduation rate
- Substantial increases in enrollment overall and for Historically Underserved Students
- Graduation gains for students from all backgrounds
- CSU undergraduates are earning their degrees at faster rates than ever before—an average of one semester faster
  - That translates to an average of \$55,000 in additional lifetime economic benefit to each student who graduates sooner
