Bulletin: Discontinuation of PMWeb Access			
Effective Date:	March 15, 2024		
From:	CPDC/Executive Unit		
Item No.	Administrative		

CPDC has decided to discontinue future development in PMWeb, although we will continue to maintain current functionality and use it for capital projects expenditure reporting, funding and allocation management, and cost of construction comparison reporting.

Apart from CPDC and a few other Chancellor’s Office users, we have observed very little usage in the past few months since we have discontinued utilizing PMWeb for quarterly project reporting. Therefore, to reduce annual expenses for concurrent licenses, we intend to discontinue access to those receiving this bulletin effective **March 15, 2024**.

If you have a need to pull data from PMWeb on an occasional basis, CPDC will run reports for you on request – please email PMWebSupport@calstate.edu with any requests.

If you have the need to maintain your ongoing access, please contact Kelly Cox at kcox@calstate.edu to discuss your requirements.
