STEM-NET, HSI-HUB UPCOMING EVENTS Spring 2025 — CLICK HERE

STEM-NET, HSI-Hub is launching a series of webinars, trainings, and workshops in the Spring of 2025.
- This spring semester, we're thrilled to present an exciting lineup of offerings featuring our very own hub participants, tailored specifically for HSI leaders, practitioners, community members, and advocates.
- The first workshop is titled, "STEM-NET, HSI-Hub: Servingness in Action". The Principal Investigators (PIs) leading our current Title III, HSI-STEM Grants at the CSU's will be defining servingness through their grant activities and programming. They will discuss their current projects and showcase the work they have developed to support our Latinx/e/Hispanic and low-income students.
- Registration for this workshop will begin in January 2025. Please sign-up for STEM-NET's listserv to register for this workshop.
