Among College Students

December 6, 2019

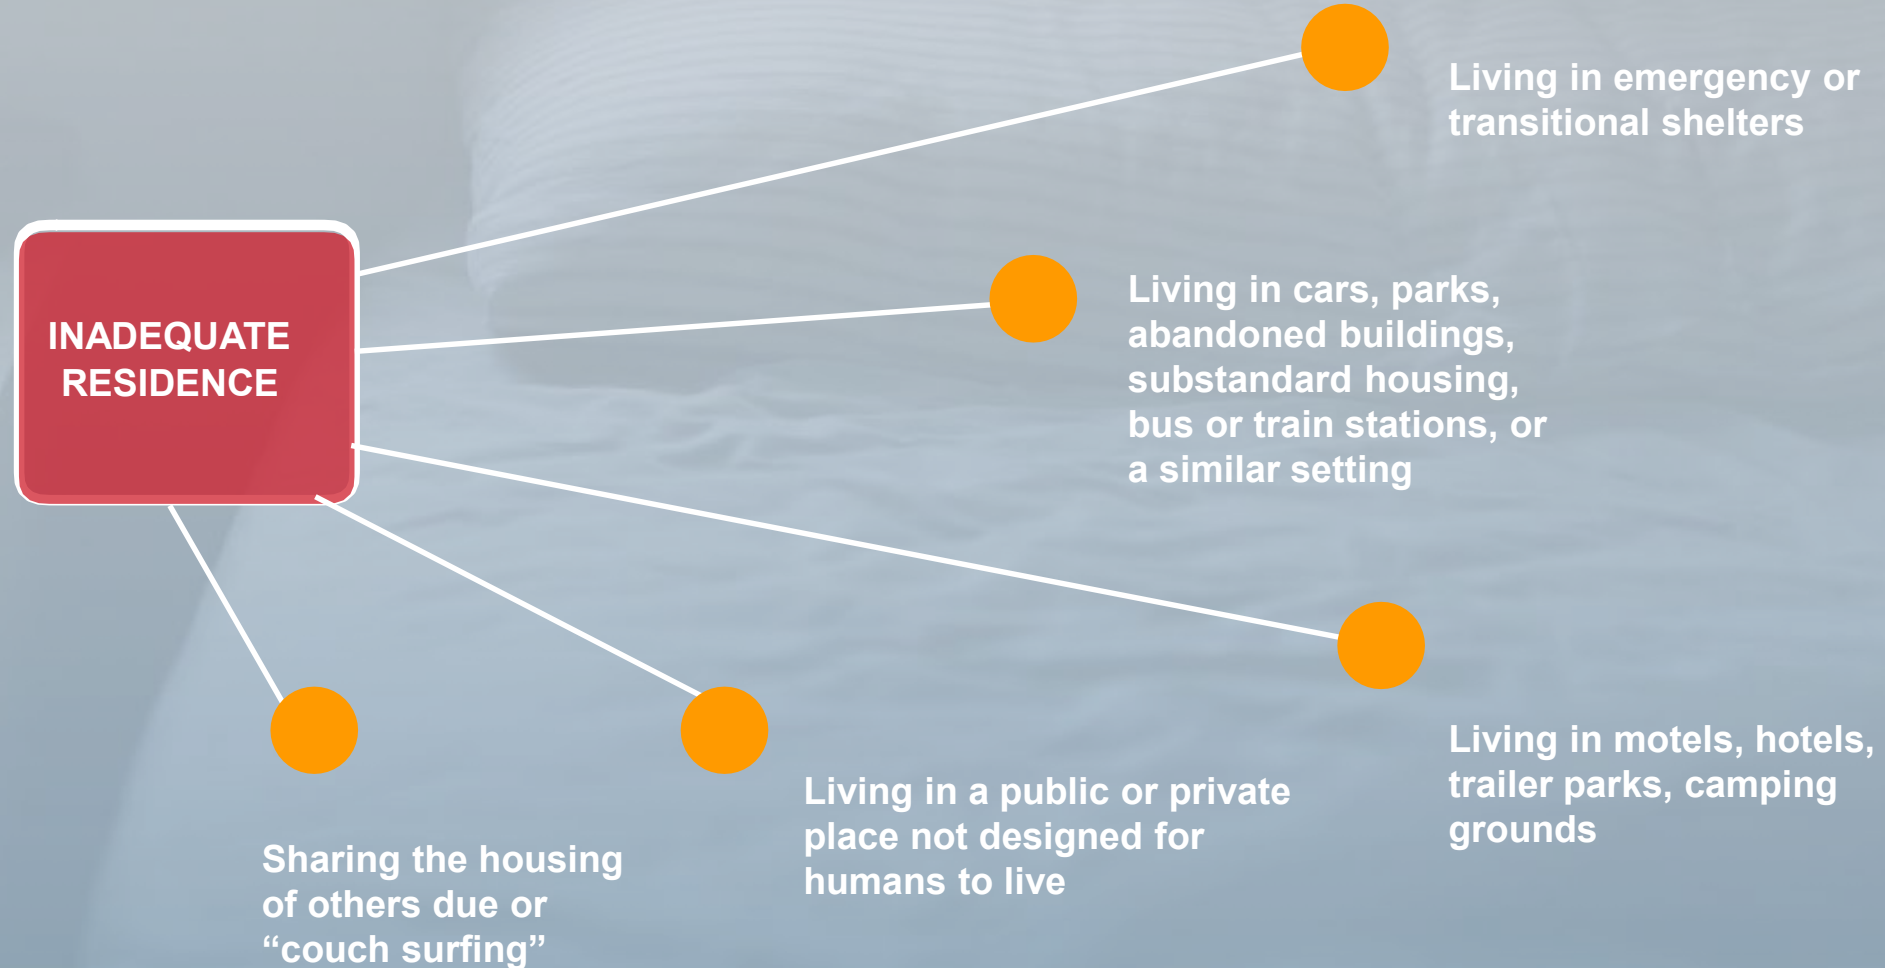

John Burton Advocates for Youth

Homelessness Prevalence

- **1 in 5** CCC students experienced homelessness within the last year
- **1 in 10** CSU students experience homelessness
- **1 in 20** UC students experience homelessness

Homelessness

Homelessness

Students may have a history of homelessness or may experience homelessness for the first time as college students - 47% of youth experience homelessness both with and w/o their families

Risk factors

- ~30% of foster youth will experience homelessness after foster care
- LGBTQ and gender non-conforming students
- Young parents
- Immediate or unexpected financial crisis
- Economic instability and lack of safety net

Addressing Homelessness Requires a Multi-Pronged Approach

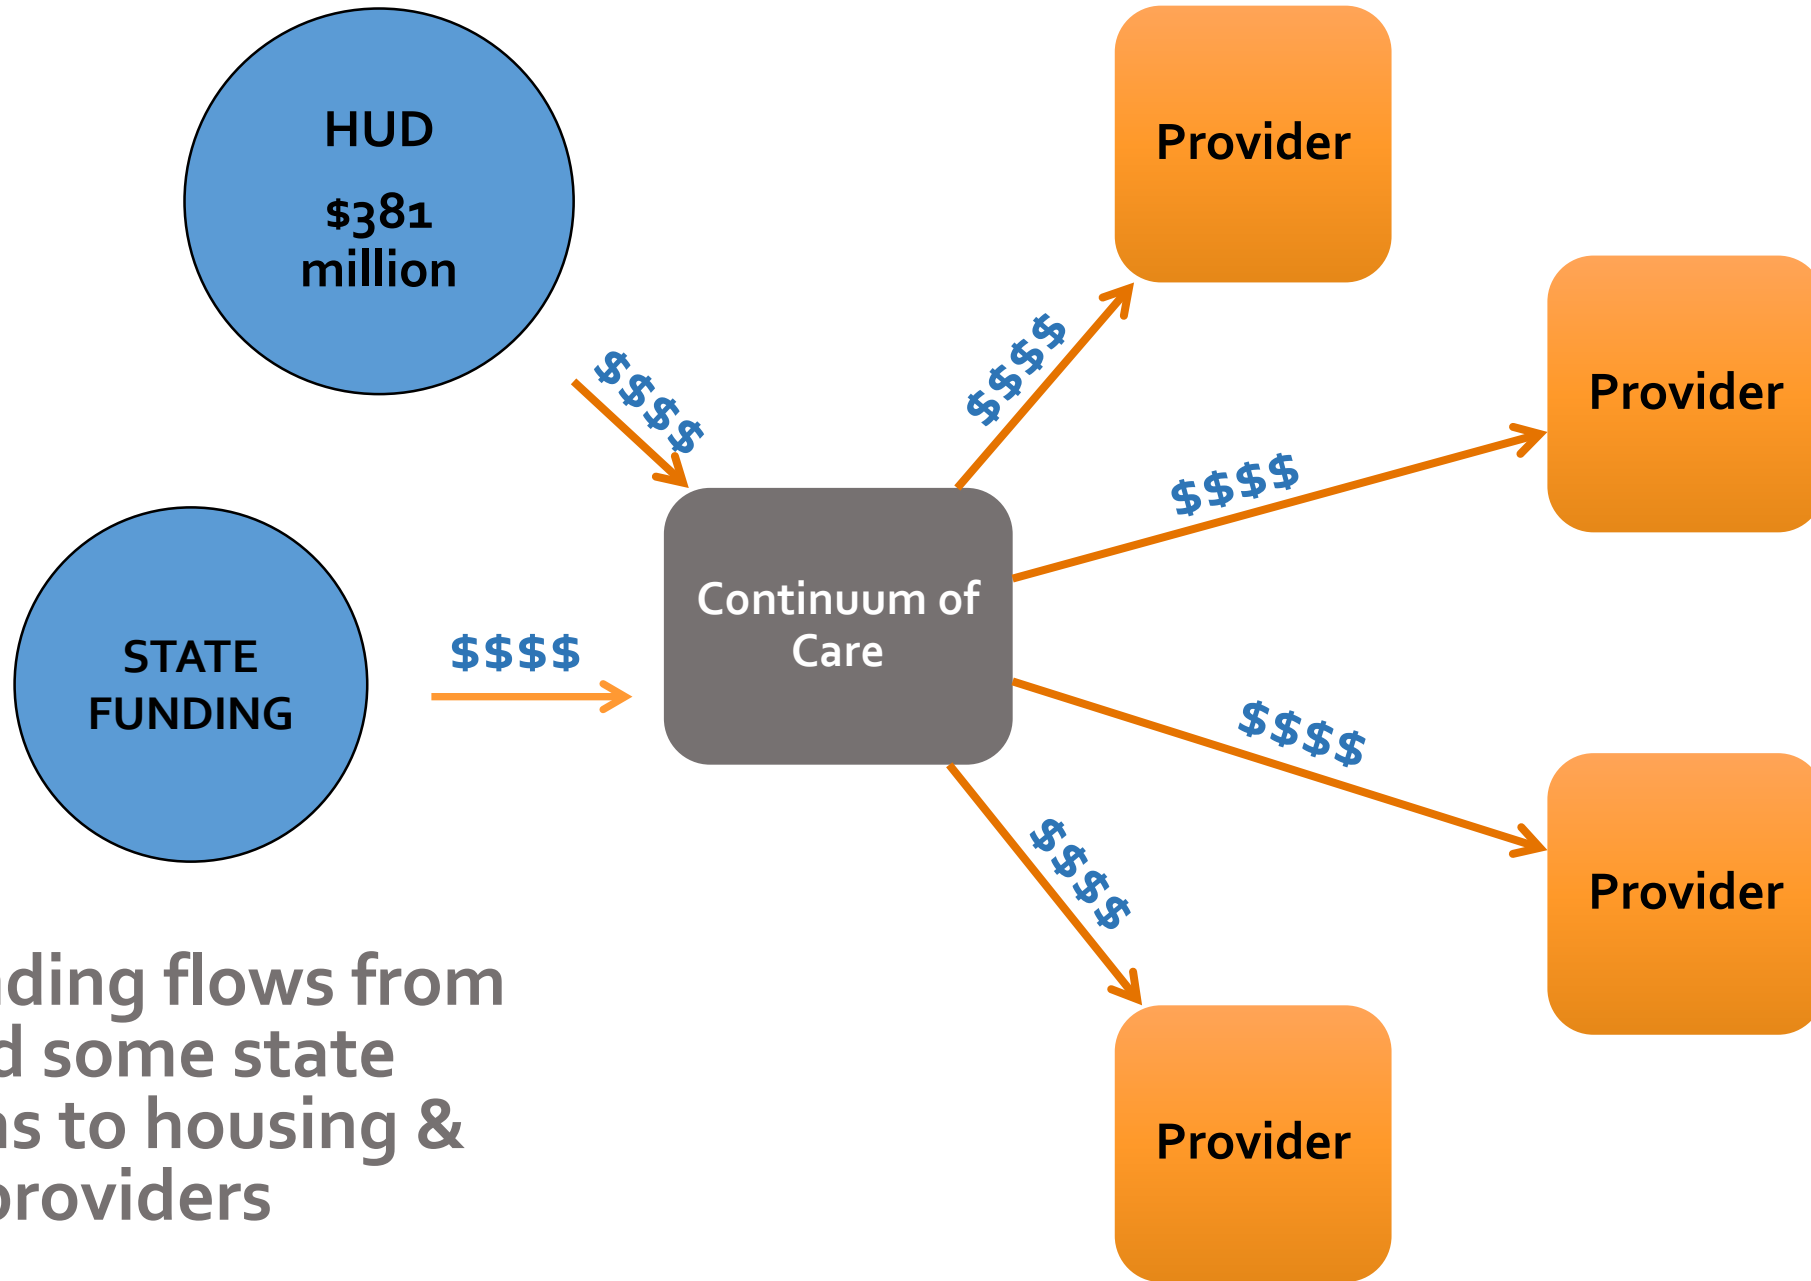

The Homelessness Response System

Continuums of Care (CoCs)

Continuum of Care (CoC) Basics

- Entity that receives and administers HUD funding
- 44 CoCs in California (regional but not exclusively county-based)
- Primary vehicle for helping people who are homeless or at imminent risk of homelessness
- Determines local priorities and makes funding decisions
- Does not administer Section 8 or Public Housing

How funding flows from HUD and some state programs to housing & service providers

What is a Coordinated Entry System?

Without CES

With CES

CES Access Points

**May be Single or
Multiple Points
of Access**

**Virtual or Phone
Access**

**Street
Outreach**

**Youth
Coordinated
Entry**

Eligibility & Prioritization for Housing Resources

- Eligibility
 - Must meet HUD Definition of Homelessness for federal programs
 - Additional Program Requirements (e.g., veteran status, senior, chronically homeless, families, serious mental illness, youth)
- Prioritization
 - Vulnerability: Chronic Homelessness, Disability, and other factors
- Youth-Targeted Resources

HUD definition:

- (i) living in a public or private place not meant for human habitation;*
- (ii) (ii) living in a shelter.*

Practical Strategies for Campuses

1. Make Referrals to CES

Know your community's coordinated entry access points

- Familiarize key campus staff with locations & phone numbers
- Are there youth-specific access points?
- What is the eligibility and referral process?
- Refer students in need of housing to appropriate access points
- Ensure that if students are current or former foster youth, they are referred to the child welfare agency or local provider.

2. Co-locate with a provider that assesses for coordinated entry.

Partner with the Continuum of Care or local provider to bring coordinated entry assessment on campus.

Provider with CES contract can assess students on campus and refer to housing and services.

3. Use touch points with students strategically.

When distributing emergency housing vouchers, ensure students are **connected to the local homelessness response system**.

When distributing any basic needs resources, ensure eligible homeless students are **completing FAFSA correctly** to get independent student status.

Post contact information in food pantries, support offices, health center, etc. for connecting with homelessness response system and homeless liaisons on your campus.

4. Get involved with CoC stakeholder meetings

- Opportunity to influence community priorities
- Stakeholder input was required for the HEAP planning process and open to the public.
- **Get involved before critical input periods if possible**

5. Participate in the Homeless Point-In-Time Count.

- Snapshot of people experiencing homelessness on a single night in January in odd years
- Main source of data used by federal government
- Determines federal funding allocations and impacts state funding as well

Ensure homeless students are included in PIT Counts

- Volunteer for the count
- Make sure homeless students complete surveys

6. Ensure your campus' financial aid policies address student homelessness.

Ensure financial aid administrators are well-trained and advised on how to make a homeless determination

Reevaluate Cost of Attendance based on individual circumstances

Prioritize special populations in timing of disbursements

Modify SAP appeals policy to make homelessness an extenuating circumstance

7. Ensure your campus is fully implementing AB 1393 & AB 1228.

AB 1393: Priority housing for current and former foster youth

AB 1228 : Priority housing for current and former homeless youth

- CSUs required; UC and community colleges requested to grant priority for:
 - ✓ Student housing generally
 - ✓ Year-round student housing
 - ✓ Housing open for most days in year

Cannot charge during breaks

8. Consider providing temporary housing on campus.

Emergency housing on campus:

- Set aside dorms for emergency short-term housing while longer-term housing is identified and secured
- Hotel vouchers on campuses without housing / to supplement emergency on campus housing

 - facilitation of access to on-campus housing and facilitation of reunification with family members willing to provide stable housing

Core Components of “College-Focused Rapid Rehousing”

Housing-related financial assistance

- rental application fees
- rental subsidies
- security deposit assistance
- utility payments
- moving cost assistance
- interim housing assistance while seeking permanent housing

Housing stabilization services

- ongoing tenant engagement
- case management
- credit repair assistance
- employment support

Step 1: For campuses, the first step is connecting with a housing provider that can apply for HHAPP

Consider partnering with organizations that have contracts with the CoC, County or City

- Existing contracts and relationships facilitate issuing funds.
- Getting a contract for the first time is difficult.
- May 2019 study found few HEAP recipients were first-time CoC grantees.

Step 2: Make contact with your local Continuum of Care, county and large city

Large City

Anaheim, Bakersfield, Fresno, Long Beach, Los Angeles, Oakland, Riverside, Sacramento, San Diego, San Francisco, San Jose, Santa Ana, and Stockton.

CoC

County

*Visit HHAPP webpage at www.jbaforyouth.org to find a contact for your CoC, County and Large City

HHAPP Considerations

- Move quickly: Funding processes are being determined NOW
- 8% youth set-aside is a minimum, even if their PIT youth percentage is lower than 8%
- Expect to have to educate your CoC, County and Large City on college student homelessness
- Visit JBAY web page on HHAPP implementation - www.jbaforyouth.org/hhapp
