

Grant Program Title: DEFENSE COMMUNITY INFRASTRUCTURE PROGRAM

Funding Agency: U.S Department of Defense

Award Amount: Fiscal Year 2024 appropriations and authorization are not yet finalized by Congress.

Brief Description:

The Defense Community Infrastructure Program (DCIP) is designed to address deficiencies in community infrastructure, supportive of a military installation, in order to enhance military value, installation resilience, and military family quality of life.

Eligibility:

- State or local governments
- Entities other than those identified above may partner with an eligible entity.

Eligible Project Types:

Eligible community infrastructure projects are any complete and useable transportation project, school, hospital, police, fire, emergency response, or other community support facility; or water, wastewater, telecommunications, electric, gas, or other utility project that meets the following criteria:

- Is located off of a military installation or on property under the jurisdiction of a secretary of a military department that is subject to a real estate agreement.
- Will enhance military value, training of cadets enrolled in an independent program at a covered educational institution, military installation resilience, or military family quality of life at the supported military installation.
- Is endorsed by the installation commander representing the installation benefiting from the proposed project.
- Are where ground-disturbing work has not yet commenced; and,
- Is construction ready.

Application Open Date: April- May 2024

Application Deadline: June 2024 (More information to come)
